

**Community Days are free, one-day educational events designed for individuals living with GBS, CIDP, MMN, and related conditions, as well as their care partners.**

**THESE ALL-INCLUSIVE EVENTS DELIVER HEALING THROUGH COMMUNITY BY BRINGING TOGETHER:**

- ✓ Knowledgeable healthcare professionals
- ✓ Fellow patients with shared experiences
- ✓ Reliable, patient-centered educational resources

Community Days empower patients and healthcare providers with the latest information on these rare conditions while fostering connection, understanding, and access to high-quality care.

Whether you're newly diagnosed or further along in your journey, Community Days provide education, understanding, and community to help you feel informed, empowered, and supported.
